## YOUR HEALTH AND SAFETY ARE OUR PRIORITY

We are happy to announce we will resume meetings in our office with current and new clients on May 18, 2020! We greatly appreciate your patience while we have operated our business remotely. While it was a difficult decision to close our office to the public, it was done with the utmost concern for the health and safety of our clients and community.

While we will resume client meetings, our office operation will not be the same as prior to COVID-19. *There will be no walk-in appointments.* To protect our clients, staff, and community, the following

actions will be taken:

- Only one (1) client in attendance at office meetings, with an exception for a married couple
- Attorneys, Staff and any visitors to the office must wear a face covering while inside the office and maintain a social distance of six (6) feet from other people
- Limit the number of daily client meetings
- Attorneys and Staff will not shake hands to protect your and our health
- Disinfecting of common surfaces before and after each meeting
- Attorneys will wash their hands before meeting a client
- For clients who prefer a telephone or virtual consultation, we will offer a \$25.00 discount
